An abstract geometric composition featuring a dark brown, rectangular block with a subtle texture, possibly wood or stone, positioned diagonally across the frame. A large, bright white semi-circle is superimposed over the upper left portion of the block and the background. The background is a dark gray gradient. The word "DESIGN" is written in a clean, white, sans-serif font, centered horizontally and partially overlaid by the white semi-circle and the dark block.

SUPERSLIM range

Per tutti i piatti doccia della serie superslim, lo scarico può essere posizionato al centro o lungo il lato corto, a 20 cm dal bordo. In entrambi i casi lo scarico normale può essere normale o con copripiletta in tinta. In questo caso viene fornita in dotazione una piletta sifonata

For all superslim shower tray, drainage can be in the middle or along the short side at 20 cm from the edge. In both cases the drainage can be “classic” or with a hiding plate with the same finishing. In this case a complete drainage will be supplied as well
